EDUCATIONAL INSTITUTES

## Late Shri O. P. Gupta (Founder)

B. S. Anangpuria Educational Institutes was the vision of Late Seth Om Prakash Gupta, a successful businessman and Philanthropist of Faridabad and the founder of Bhawani Shanker Anangpuria Charitable Trust. With a benevolent spirit, Late Seth Om Prakash Gupta established the Trust in 1992 to pay tribute to his forebears especially his father Late Lala Bhawani Prasad Gupta and his grandfather Late Lala Shanker Lal Gupta. The Trust was established with an overarching objective of lending a helping hand towards the welfare of the society. With this whole objective, the Trust has provided facilities catering to various needs of the society, such as transforming lives through education, charitable hospitals and places of worship.

Committed to the mission, the trust has been actively supporting other organizations involved in the welfare activities purely for the social cause. Besides, the Trust is also involved in helping the needy by the way of donations, medical aid, educational grants and scholarships to meritorious students and deprived sections of society.

A firm believer in the philosophy of Bhagwat Geeta, Late Seth Om Prakash Gupta was deeply influenced by the teaching of Bhagwan Krishan, who says:

सर्वं कर्माखिलं पार्थ ज्ञाने परिसमाप्यते ॥

**“A law is valuable not because it is law,  
but because there is right in it.”  
~ H. W. Beecher**

The legal profession has marched forward from old-fashioned stereotypical lawyers to those who eagerly look forward to being a lawyer, who are ready to meet the demands of an increasingly competitive practice. The legal practice has undergone a considerable change in the last few years. The need of the hour is to provide a greater degree of legal specialization than we see today and to provide the highest quality of professional legal education to face new challenges and dimensions of the legal profession. B. S. A. E. I. established B. S. A. I. L. in 2007 keeping in mind this noble objective.

The Institute is approved by Bar Council of India & Government of Haryana and affiliated to M.D. University, Rohtak. B.S.A.I.L.'s primary mission is to create able, competent and humane legal professionals, who, on entering the Bar and the Bench would be well equipped to address effectively the imperatives of the new millennium. B.S.A.I.L. boasts of unmatched infrastructure comprising of spacious air-conditioned classrooms, desirable Moot Court Room (pride of our institute and one of its own kind in the N.C.R.), resourceful library with the latest legal publications and journals, an information center with all-time internet connectivity, well-equipped audio-visual seminar hall and above all, a conducive environment to study and explore numerous possibilities in life.

The Institute is dedicated to impart education with a view to produce world-class professionals, scholars and academics in law. The innovatively conceived 5 year integrated B.A.L.L.B. (Honours) Degree Programme of the Institute integrates the study of Law in a semester mode for enhancing the employability of Law students and for a stress free legal education in an era of specialty. Learning in this institute stretches beyond the boundary of prescribed syllabus. It strives to be a unique "Knowledge Center" where each student will be empowered with the knowledge, passion and drive to excel as leaders in the legal profession. It is a place of continual activity and unrelenting vitality. The array of experiences and opportunities that this Law Institute offers, gives our students a competitive edge over other law students studying elsewhere. The achievements of our students in various Moot Court competitions, debates, legal aid programmes for the common man and legal awareness programmes along with other extra-curricular activities including sports, stand testimony to the fact that B.S.A.I.L. is one of the leading institutes in NCR.
